

THE RIBBON OF REMEMBRANCE

You are invited to dedicate an engraved paving stone to commemorate your relative, ancestor or friend or mark your support for the project.

The Ribbon of Remembrance will provide a central and personal focal point for visitors to the Centre and ensure that those who served or supported the Command's operations are remembered and honoured, whether lost during the war or since.

This will be built to frame the Chadwick Centre at the new International Bomber Command Centre, which is due to be completed in 2017.

THE RIBBON OF REMEMBRANCE

We have eight stone sizes available. We would suggest the Wellington and Lancaster for Nations, Associations and other groups. All our stones are created out of Yorkstone Scoutmoor stone, this highly durable stone is cut to 65mm and is available in a variety of sizes. The colours vary from each stone; from blue grey to buff brown so no two stones are the same.

Business supporters: We have also designed an area at the entrance to the Chadwick Centre featuring the largest pavings, the "Manchester", which are purely designated for businesses supporting the project. This area will be visible to every visitor to the Centre. (An estimated 70,000 visitors per year)
